## SCHOLARSHIPS/BURSARIES

Cranlana continues to embrace diversity in our programs and to ensure that our

Cohorts are representative of leadership in all its forms, we will be offering:

- up to two scholarship places for participants from NFP organisations
- a limited number of bursaries to be applied to course fees.\*

*Please indicate your desire and eligibility to be considered for either of these at application stage.*

*\*Eligibility determined based on employer organisation's revenue.*

## THE VINCENT FAIRFAX FELLOWSHIP

# APPLICATION KEY DATES AND INFORMATION

### MAY/JUNE: PREPARE FOR YOUR APPLICATION

Use this time to have conversations with your stakeholders and/or employers. You will require three pieces of supporting documentation:

- a letter of recommendation from someone familiar with you as a leader
- a letter of reference from your employer (also acknowledging the time you will dedicate away from your role to the Fellowship)
- a current CV.

### JUNE 16: APPLICATIONS OPEN

An email will be sent to you with the link to our application form. You will have the option of submitting written or video responses to several of the key criteria. We recommend setting aside up to an hour to complete your application. Once you begin, you can come back to finish it any time before the cut-off date.

### SEPTEMBER 22: APPLICATIONS CLOSE

Please note that this is the final cut-off date for the 2024 VFF Cohort 28. Once you have successfully submitted your application, you will receive an email notification.

### SEPTEMBER 25 - OCTOBER 6: INTERVIEWS CONDUCTED

This week is dedicated to conducting interviews with our short-list applicants. If you do not progress further in our selection process at this stage, we will notify you via email.

### OCTOBER 9-13: SUCCESSFUL APPLICANTS NOTIFIED

Notification will be sent electronically to successful applicants. To accept and secure your offer, we require a non-refundable 20% deposit. The remainder will need to be paid by January 31, 2024. Please let us know if you would require a different payment structure.
